

***Pauline Wong - Occupational Therapist / Driver Assessor***  
**Bachelor of Applied Sc. in Occupational Therapy (Uni of South Australia)**  
**Master of Arts in Professional Counselling (USA) & Prof. Diploma of Psychology (Hong Kong)**

Pauline is a highly skilled, mental health occupational therapist with longstanding experience in the field of OT, encompassing international practice experience in New Zealand and Hong Kong, underpinned by a robust academic acumen including masters of arts with a major in counselling. Pauline is calm, knowledgeable and deploys a sound knowledge base and longstanding experience to deal with complex cases.

Pauline is also a specialist driver assessor in the field of occupational therapy and has trained many occupational therapists to gain competency in carrying out Wheelchair Assessments, Home Modifications, and to approach acute rehabilitation referrals with confidence. Pauline is also a mental health OT at Nexus CAP and sees clients who require counselling services.

When not at Nexus CAP, Pauline focuses on activities of personal growth, self care and her family.
